

## Spinner Probabilities

Calculate the probability of your spinner landing on each situation.

1. What is the probability of the spinner landing on **blue** in a single spin?
2. What is the probability of the spinner landing on **brown** in a single spin?
3. What is the probability of the spinner landing on **red** in a single spin?
4. What is the probability of the spinner landing on **purple** in a single spin?
5. What is the probability of the spinner landing on **purple** OR **yellow** in a single spin?
6. What is the probability of the spinner NOT landing on **red** in a single spin?

Calculate the probability of your spinner landing on each situation.

1. What is the probability of the spinner landing on **yellow** in a single spin?
2. What is the probability of the spinner landing on **green** in a single spin?
3. What is the probability of the spinner landing on **pink** in a single spin?
5. What is the probability of the spinner landing on **red OR blue** in a single spin?
4. What is the probability of the spinner landing on **purple** in a single spin?
6. What is the probability of the spinner landing on **purple AND gray** in a single spin?
