Spinner Probabilities
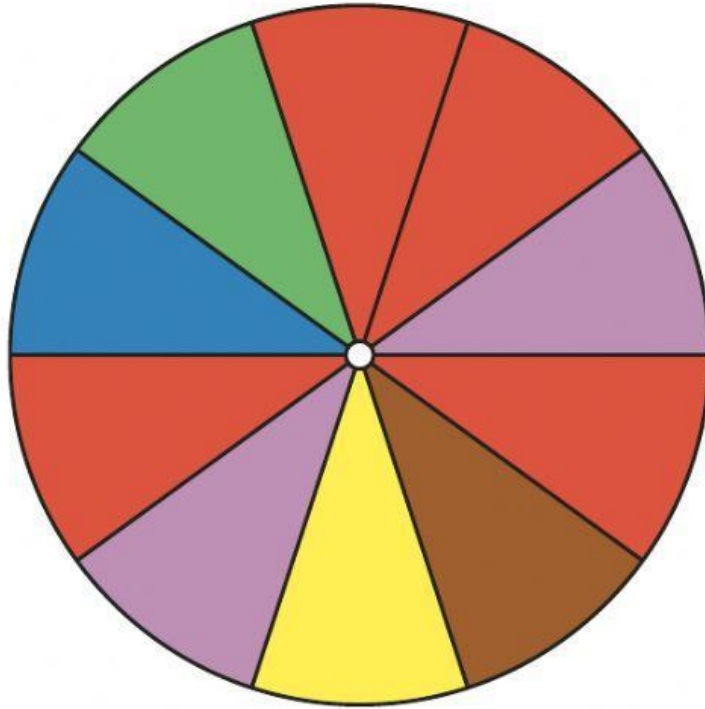

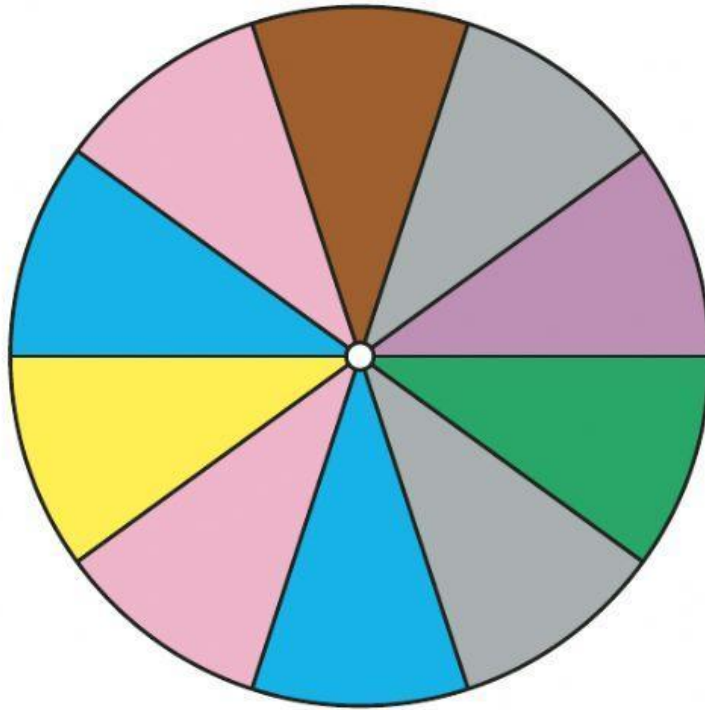

Calculate the probability of your spinner landing on each situation.

1. What is the probability of the spinner landing on blue in a single spin?

2. What is the probability of the spinner landing on brown in a single spin?

3. What is the probability of the spinner landing on red in a single spin?

4. What is the probability of the spinner landing on purple in a single spin?

5. What is the probability of the spinner landing on purple OR yellow in a single spin?

6. What is the probability of the spinner NOT landing on red in a single spin?

Calculate the probability of your spinner landing on each situation.

1. What is the probability of the spinner landing on **yellow** in a single spin?

2. What is the probability of the spinner landing on **green** in a single spin?

3. What is the probability of the spinner landing on **pink** in a single spin?

5. What is the probability of the spinner landing on **red OR blue** in a single spin?

4. What is the probability of the spinner landing on **purple** in a single spin?

6. What is the probability of the spinner landing on **purple AND gray** in a single spin?
