READING

A) Read the story.

This is Tintin. He's a very special young man. He's got short blond hair. He lives in Belgium and he's a reporter. He works for a newspaper but he travels a lot. He has got a white dog. His name is Milu. Milu is very intelligent and they always work to solve mysteries. One day he buys a present for his friend, Captain Haddock. It's a model boat. When the captain sees the boat, he's very surprised because he has got a painting of that boat at home! The boat is called The Unicorn and it's under the sea.

"Tintin! This is my grandfather's boat! He was a pirate," says the captain. "Come home. You can see the painting. It's in the livingroom."

When Tintin sees the picture:

"Uah! Has it got a treasure?" asks Tintin.

"Of course, but it's very dangerous. It's in the ocean and there are sharks. Many people want the treasure but I have the map. It's a family secret," says Captain Haddock.

"Can we go?" asks Tintin.

"Yes, we need money, a boat and help. It's a very dangerous adventure Tintin and we have to be very careful!" says the captain.

"OK. Let's go!"

Right (✓) or Wrong (✗)?

E.g. Milu is a dog.

1) Tintin is a captain.

2) Tintin buys a boat for his friend.

3) The Unicorn is an animal.

4) Captain Haddock has got a map.
