

# Down to Earth S1E7(London)

- Did you like the episode?  
\_\_\_\_\_

- Which of the practical solutions to pollution did you find more interesting?  
Why? \_\_\_\_\_  
\_\_\_\_\_

- Choose ONE of the practical solutions to pollution:
  - Bees
  - Congestion charging
  - Education on environment
  - Green walls
  - Riding bikes
  - Reducing and reusing

How this concept will help the environment? \_\_\_\_\_  
\_\_\_\_\_

- What do you think will happen if we don't try to solve these problems?  
\_\_\_\_\_

- What are you planning to do to help the environment?  
\_\_\_\_\_

- What simple actions are you doing this week? Think about 3 simple actions to do this week to help the environment.

Ex: On Sunday I'm walking instead of using a car.
