I. READING

1. Read the passage about the Great Wall. Decide whether the sentences are true (T) or false (F). Circle T or F.

There are four most popular sections of the Great Wall: Mutianyu, Badaling, Simatai and Juyongguan. I visited the Mutianyu section of the Great Wall in the last two months during my visit to China.

I thought we should climb up the Wall, you know, using only one rope, but actually, there is a cable car ride that you can take to get up on the Wall.

I had so much fun riding the cable car because the view from up there is so great! You can take a look at the view of the Wall, the mountains, and the villages of Mutianyu below. The view on the way up is breathtaking.
