1. Read:

Hello, how are you? My name is Martín. This is my idol. He is "Manu" Ginóbili. He is a professional basketball player. He is 37 years old. He is from Argentina. He is Argentinian. His birthday is on July 28th. He lives in Los Angeles. That is in the U.S.A.! He has brown hair and brown eyes. He is very tall. He is very kind and organized but he isn't rude. He is also very funny! He likes playing sports and drinking mate, but he doesn't like reading books.

In the morning, he always gets up really early, at 5:30 am! He eats eggs, sausages, toasts, and orange juice for breakfast. Then, he watches the news, and he goes to the gym at 6:15 am. He trains a lot! Then, he practises basketball at 8:45 am. He sometimes has lunch at 1:30 pm, he has a shower. He usually takes a nap at 2:30 pm. Later, he often plays with his sons: Dante, Nicola, and Luca. He really likes playing with them! In the evening, he always cooks dinner. After that, he watches a movie with his wife. Finally, he goes to bed at 10:30 pm. At the weekend, he sometimes has a basketball tournament. On Saturdays, he usually takes his sons to the park, and they ride their bikes. On Sundays, he always visits his friends and relaxes.

I like him because I believe that he is sporty and very funny.
