

Goldie Vance Book Guide

This book guide will help you practice your reading skills and strengthen your thinking skills! Here is how you will accomplish this:

WEEK 1

1) Get the book! Go to getepic.com . Select “student” and type in our class code: hli5897 . When the icons (circle pictures) appear, click on your name. Then click on the mailbox icon  at the very top of the page to see your assigned books. Choose **Goldie Vance No. 1** .

2) In this workbook, complete the **BEFORE YOU READ** questions—guess what!- **BEFORE** you start to read the book.

3) Read the book. **WHILE** you are reading, look for the words listed in the **WHILE YOU READ** section. Write down the page number when you find one. If you do not do this **WHILE** you read, you will have to go back to the book and read the whole thing a second time so that you can find the words! Do you really want to do that? Then match each word with its definition.

Please note- You can only read the book for free from 8:00AM—3:00PM.

4) Complete the **AFTER YOU READ** questions on page 1 of the workbook. **STOP!**

WEEK 2

5) Take the quiz, as it reminds you on the bottom of page 1. You can find the quiz by going to the book online. When you open the book, look in the **LEFT** corner of the screen, above the book. You will see a bunch of question marks (?????). Click on the question marks. Take the quiz. The site will automatically send me your score.

6) Complete page 2 of the workbook.
