5. Relaciona cada dibujo con su sílaba inicial.

A large lowercase letter 't' is shown on the left. Five arrows point from its stem to the vowels 'a', 'e', 'i', 'o', and 'u'. To the right, five words are listed, each with its first syllable in red: 'tapa', 'tela', 'timón', 'tomate', and 'tubo'. Further right are five illustrations: a red tomato, a blue lid with a red knob, a grey pipe, a wooden ship's wheel, and a green cloth.

11. Une las sílabas siguiendo el sentido de las flechas y lee las palabras que se forman. Luego, escribe en tu cuaderno las palabras formadas.
