Which word in each group contains only the first six letters of the alphabet?

Example defeat farce abide deaf dice

1. Arrow bead beach creed bread
2. Adder badge each face dance
3. Dread cadge deed ache decks
4. Feeds daft fall coffee efface
5. Card café feeble buff dabble

Select two words, one from each group, that go together to form a new word. The word in the first group always comes first.

Example (hand, green, for) (light, house, sure)

6. (hammer, axe, key) (wood, tool, hole)
7. (month, nose, frown) (dive, walk, run)
8. (fish, catch, net) (duty, work, offer)
9. (soft, loud, noise) (rumble, quiet, speaker)
10. (out, under, place) (see, look, watch)
