

The Coconut Song (Da Coconut Nut) by Smokey Mountain

Listen to the song and put the lines in order by writing numbers from 1 to 4 in the boxes.

The coconut nut is a giant nut
If you eat too much, you'll get very fat
Now the coconut nut is a big, big nut
but this delicious nut is not a nut.

It's the coco fruit (it's the coco fruit)
Of the coco tree (of the coco tree) from the coco palm family.

All you need is to find a coconut man
You can build a bigger house for the family
There are so many uses of the coconut tree
If he cuts the tree, he gets the fruit free.

It's the coco fruit (it's the coco fruit)
Of the coco tree (of the coco tree) from the coco palm family.

Now, the coconut trunk, do no throw this junk
The coconut bark for the kitchen floor
If you save some of it, you'll have the second floor
If you save some of it, you can build the door

You can throw it or use it as a firewood
The coconut wood is very good
Now, the coconut root, to tell you the truth
It can stand 20 years if you pray it would.

Now, the coconut fruit, say my relatives
The coconut leaves good shade it gives
For the roof, for the walls up against the eaves
Make good cannonballs up against the eaves

Here's another version!!
