

Before you go

Lewis Capaldi

I fell by the wayside like everyone else
I hate you, I hate you, I _____ you but I was just kidding myself
Our every moment, I start to replace
'Cause now that they're gone, all I hear are the words that I needed to say

When you hurt under the _____
Like troubled water running cold
Well, time can heal but _____ won't

So, before you go
Was there something I could've _____
To make your heart beat better?
If only I'd have known you had a storm to weather
So, _____ you go
Was there something I could've said
To make it all stop hurting?
It kills me how your mind can make you feel so _____
So, before you go

Was never the right _____, whenever you called
Went little by little by little until there was nothing at all
Our every _____, I start to replay
But all I can think about is seeing that look on your face

When you hurt _____ the surface
Like troubled water running cold
Well, time can heal but this won't

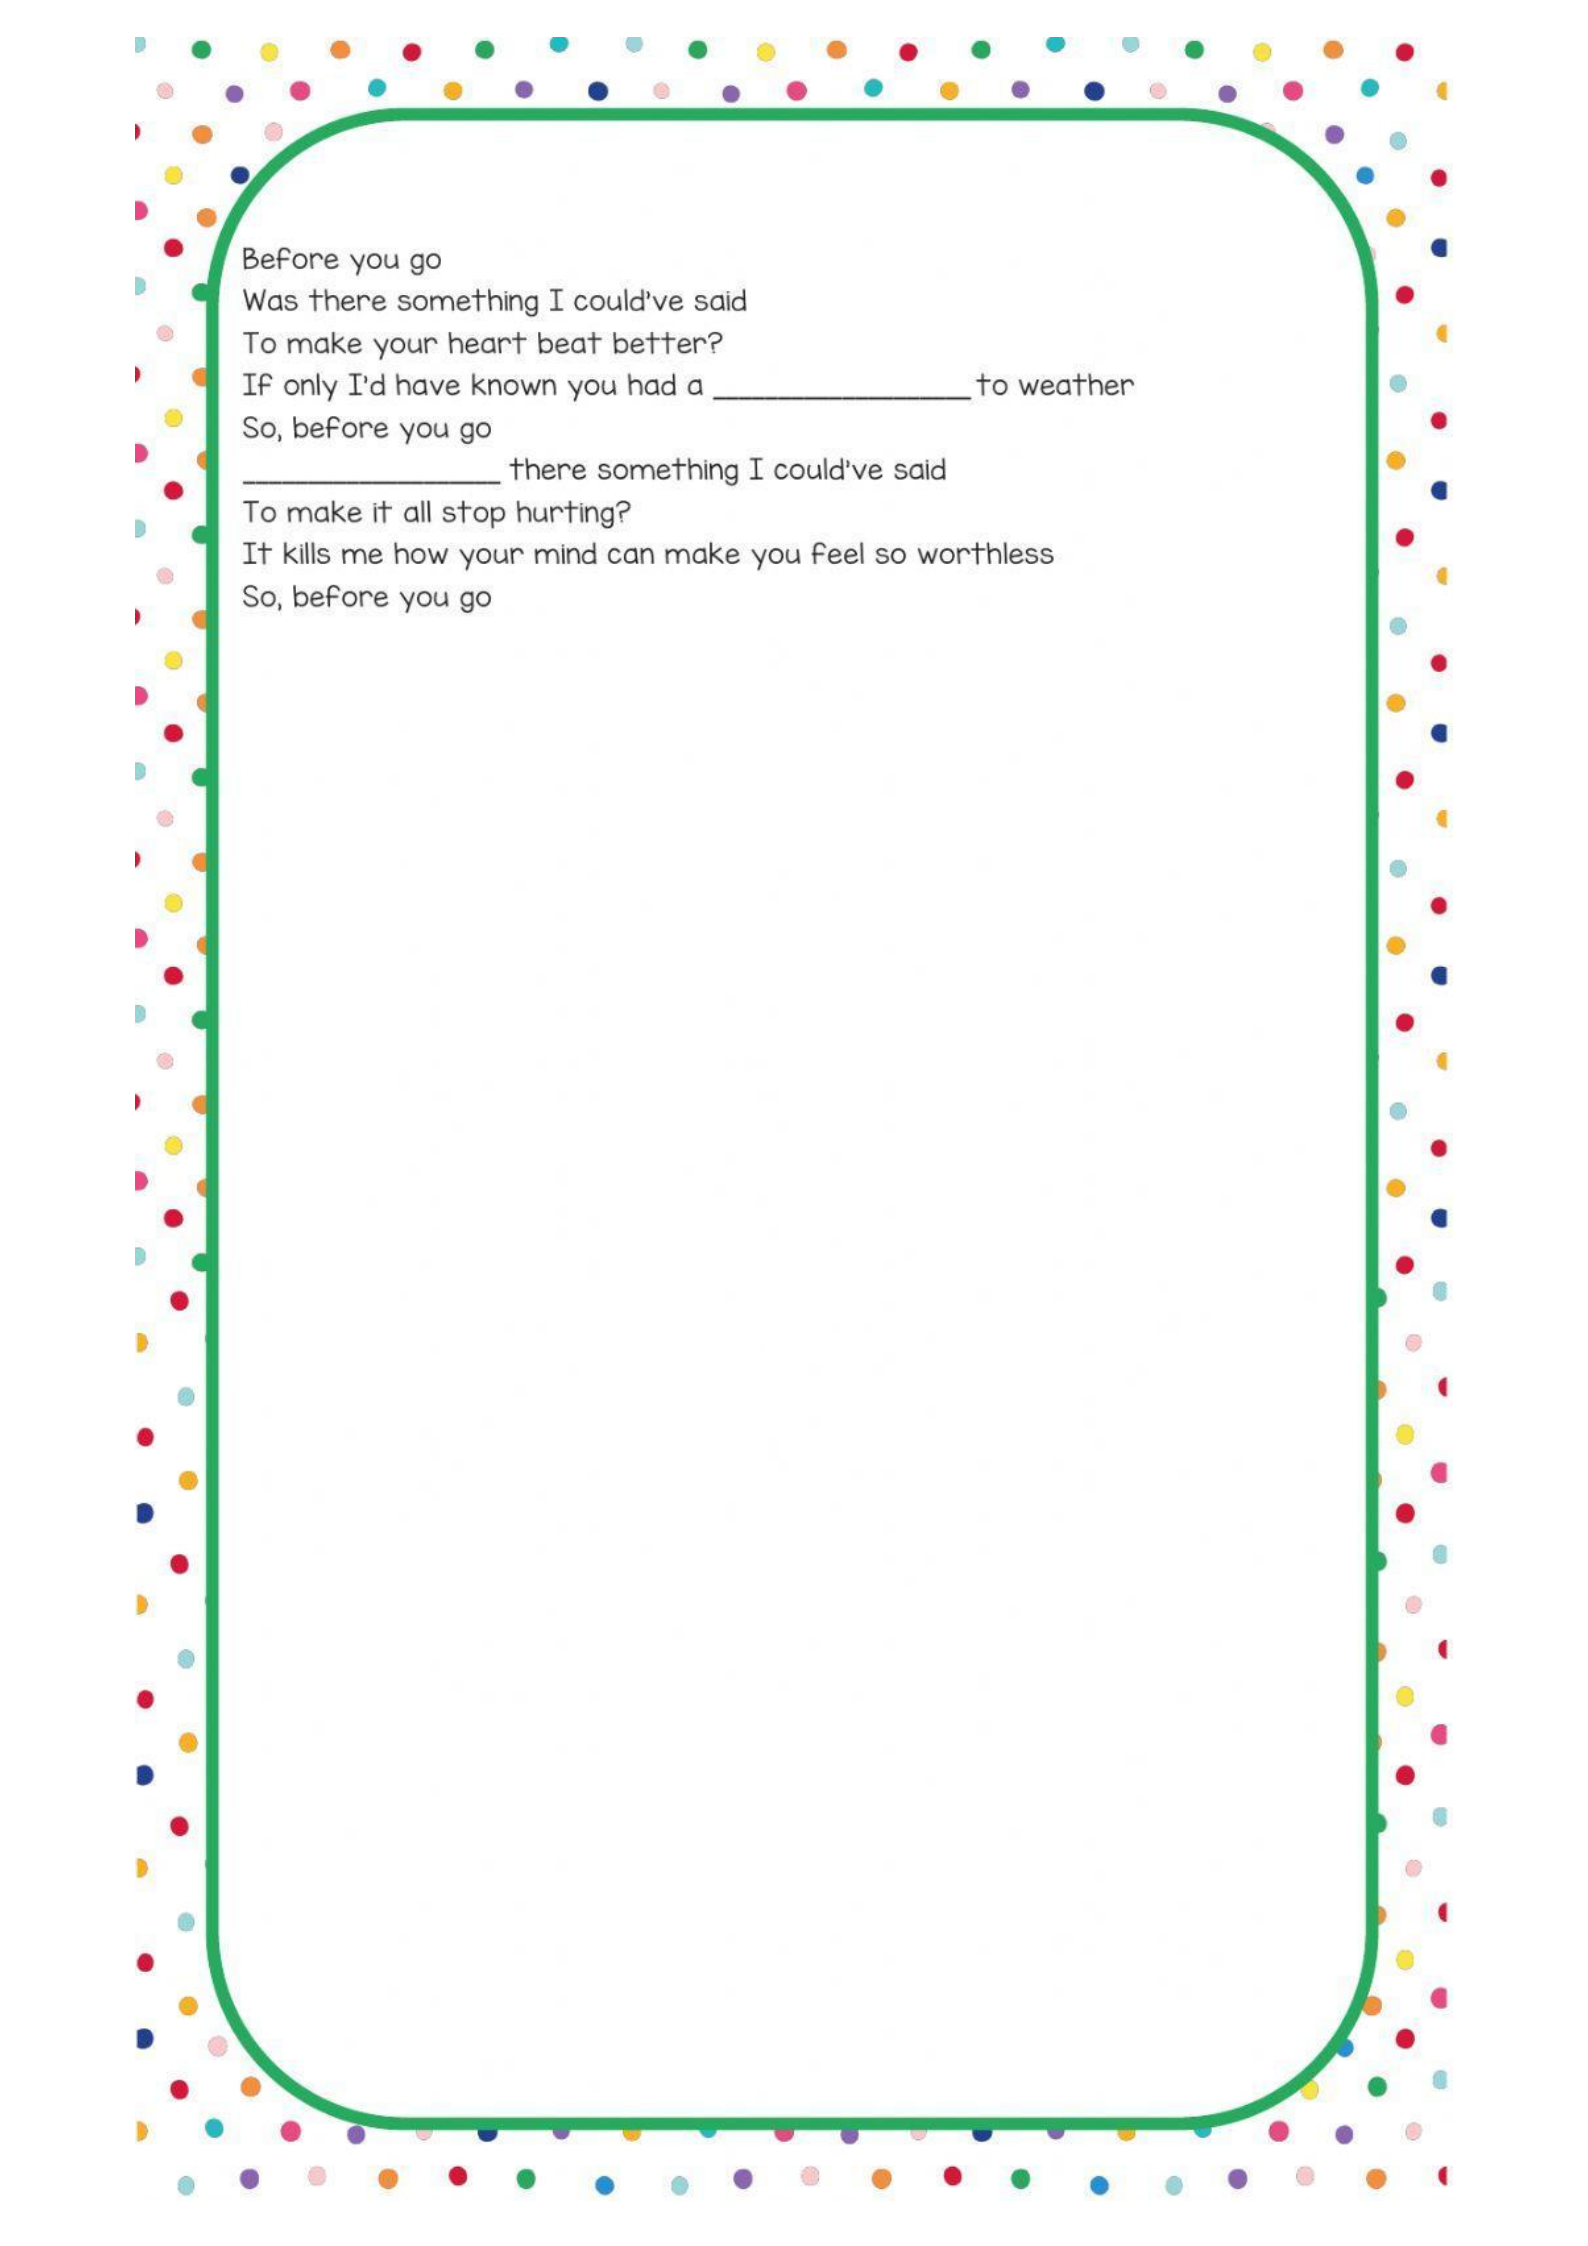

So, before _____ go
Was there something I could've said
To make your heart beat better?
If only I'd have known you had a storm to weather
So, before you go
Was there something I could've said
To _____ it all stop hurting?
It kills me how your mind can make you feel so worthless
So, before you go

Would we _____ better off by now
If I'd have let my walls come down?
Maybe, I guess we'll never _____
You know, you know

Before you go
