### My Classroom

Hello, my name is Martha and I am 8 years old. I am Brazilian but I live in Portugal. My house is in Arrentela- Seixal.

I study in a private school called Saint Julian's.

I am in 4th grade in Primary level. In our class there are 27 students, 15 girls and 12 boys.

My classroom is big and nice. Our teacher is Miss Rachel and she likes decorating the walls of the class with posters. In our classroom there is a computer and a blackboard.

My favourite subject is Mathematics. I usually study Math at night, in my bedroom I need silence.

My desk and my chair are brown. On my desk I have my pencil case, it is colourful. I have many things: a red sharpener, two pencils, a rubber, three markers, a glue and a purple pen. I always use my markers to highlight new words.

I go to school by bus with my best friend Tina. We like our school because there are three playgrounds, a big gym and a fantastic music classroom with many instruments.
