# Let's read!

## A CITY FROM THE PAST

Social Studies

This is a picture of New York City in the year 1900. It was very different then. There weren't any malls or movie theaters, but there were stores and theaters.

There weren't many cars back then, but there were lots of horses and carriages. The streets of New York City weren't quiet. They were noisy and full of people, just like today.
