

Noble Guide Academy Abuja

Subject: Numeracy

Class: Preparatory

Topic: Identification of number 24 and 25

Instruction: Drag and drop number 24 and 25 in the boxes.

The activity consists of two large blue boxes at the top, each with a label '24' and '25' respectively. Below these boxes are various numbers in different shapes and colors. The numbers are: 24 (purple circle), 25 (pink square), 5 (orange circle), 25 (yellow circle), 15 (orange circle), 34 (yellow square), 24 (red circle), 25 (blue circle), 24 (pink circle), 5 (red circle), 25 (yellow circle), 25 (white circle), 24 (blue square), 14 (yellow square), 35 (white square), 5 (orange circle), and 35 (white square). The instruction is to drag and drop the numbers 24 and 25 into the corresponding boxes.
