

Complete the song with the words in the box

Call Me Maybe

Carly Rae Jepsen

was blowing was showing was holding was holding wasn't looking

I threw a wish in the well
Don't ask me I'll never tell
I looked at you as it fell
And now you're in my way
I'd trade my soul for a wish
Pennies and dimes for a kiss
I _____ for this
But now you're in my way

Your stare _____
Ripped jeans, skin _____
Hot night, wind _____
Where you think you're going baby?

Hey, I just met you and this is crazy
But here's my number, so call me maybe
It's hard to look right at you baby
But here's my number, so call me maybe
Hey I just met you and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe

You took your time with the call
I took no time with the fall
You gave me nothing at all
But still you're in my way
I beg and borrow...
