

Complete the song with the words in the box

Call Me Maybe

Carly Rae Jepsen

**was blowing    was showing    was holding    was holding    wasn't looking**

I threw a wish in the well  
Don't ask me I'll never tell  
I looked at you as it fell  
And now you're in my way  
I'd trade my soul for a wish  
Pennies and dimes for a kiss  
I \_\_\_\_\_ for this  
But now you're in my way

Your stare \_\_\_\_\_  
Ripped jeans, skin \_\_\_\_\_  
Hot night, wind \_\_\_\_\_  
Where you think you're going baby?

Hey, I just met you and this is crazy  
But here's my number, so call me maybe  
It's hard to look right at you baby  
But here's my number, so call me maybe  
Hey I just met you and this is crazy  
But here's my number, so call me maybe  
And all the other boys try to chase me  
But here's my number, so call me maybe

You took your time with the call  
I took no time with the fall  
You gave me nothing at all  
But still you're in my way  
I beg and borrow...
