

More than words – Extreme – *Basic I (Starter)*

Cross out

Saying I **love/hate** you

Is not the words I want to hear from **you/we**

It's not that **I/you** want you

Not to say, but if **you/he** only knew

How/What easy it would be to show me how you feel

More than **words/letters** is all you have to do to make it real

Then you wouldn't have to say that you **hate/love** me

'Cause I'd already know

What would you do if my heart was torn in **three/two**

More than **letters/words** to show you feel

That your love for me **is/are** real

What/Where would you say if I took those words away

Then you couldn't make things **new/old**

Just by saying **I/we** love you

More than **words/letters**

La di da, da di da, di dai dai da

Now I've tried to talk to you and make you **remember/understand**

All you have to do is close your **eyes/hands**

And just reach out your hands and **touch/feel** me

Hold me close don't ever let me **stay/go**

More than **words/phrases** is all I ever needed you to show

Then you wouldn't have to say that you **love/adore** me

'Cause I'd already **understand/know**

How/What would you do if my heart was torn in two

More than **letters/words** to show you feel

That your love for me is **real/imaginary**

What would you say if I took those **texts/words** away

Then **you/we** couldn't make things new

Just by saying I love **you/we**

La di da, da di da, di dai dai da

More than words

La di da, da di da, di dai dai da

More than words

La di da, da di da

La di da, da di da, more than words

La di da, da di da, di dai dai da

La di da, da di da, more than words (oh uh uh uh)

More than words
