1. Write a paragraph about a fairy tale you have read. Write 80-100 words.

You should write about:

- What the story is about
- Who the main characters in the story are
- What happened in the story
- What the meaning of the story is

2. Now write an email (90-110 words) to your pen friend telling him about an activity that you have done to protect the environment.

You should use the following questions as cues:

- When did you start it?

- How does it help protect the environment?
