

## READING COMPREHENSION:

Last weekend I visited my grandparents. I was so happy! I arrived at their house on Friday at 5:30pm. It was hot and sunny. My granny was preparing some cookies and my grandpa was washing his car. When they finished, we put a table in the backyard and we had some tea and cookies. They were delicious! After that we watched a movie in the living room and we played cards. Grandpa was the winner! He is very good at playing cards. On Saturday it was cold and rainy, so I stayed inside. We prepared my favourite food! We cooked hamburgers and chips and grandpa bought ice-cream in the shop near their house. In the afternoon we painted some old chairs and we decorated my bedroom with some stickers. It was fun! I was so tired! I was in bed at 10 pm. On Sunday, my parents arrived. We had a barbecue and I played football with my dad. After that, we went home. In the afternoon I finished my homework and walked my dog in the park. It was an awesome weekend!!!
