	f you could do one thing to change the world, what would it be? Watch the video podcast from 1:43 3 and number the answers in the order you hear them, 1-8.
	solve the problem of global poverty 1 wind farms change places with other people stop all the wars save natural resources help the poor talk to each other more women Prime Ministers
	ook at the people in the pictures and read their answers. Then watch the video podcast from 1:43-7 and underline the words you hear.
Y T	Probably ' rectify/stop global poverty.
Br	Stop all the wars. Make everybody live in ² piece/pedce, in harmony.
o	If people chat more, then I'll be able to understand their viewpoint; ³ thankfully/hopefully they'll understand my viewpoint; hopefully less ⁴ war/conflict, whether it's over poverty, whether it's over global warming, whether it's over any other physical conflict as well. So, people need to ³ talk/chat more.
Ro	I would like to see more women in ^o politics/power. I'd like to see more women Prime Ministers because, for some reason, I think that they would have a more ⁷ warming/nurturing response to things and perhaps have better ways of dealing with all ⁸ sorts/kinds of world issues such as war.
M. M.	Wind farms. We've got lots of wind in this country and in places like Denmark, s we could use that as a possible "sauce/saurce of fuel.

Glossary: rectify = put right; viewpoint = point of view; nurturing = caring/helping
