

[illegible]

A blank sheet of graph paper with a grid pattern. The grid consists of small squares formed by thin black lines. There are approximately 20 columns and 15 rows of squares visible. A thicker horizontal line runs across the middle of the page, dividing it into two equal halves. The paper has a slightly aged, off-white color.

A blank sheet of graph paper with a grid pattern. The grid consists of 20 columns and 10 rows of small squares. There are also larger squares formed by every second grid line, creating a 10x5 grid of larger squares. The paper is white with light gray or blue grid lines.

$$f) 100 : 5^2 + (16 : 2 - 2)^2$$
