A large, empty rectangular box with a black border, intended for the student to write the final sequence of numbers for the story.

Deep in a forest stood a very tall tree. Its leafy branches spread out like strong arms. This tree was the home of a flock of wild geese. They felt safe there. One of the geese was a wise old bird. He noticed a small creeper at the foot of the tree. He asked the other geese to destroy it, but they did not listen to him.

What happens next? Put in the correct order.

The birds flew away.

The creeper grew tall and strong.

The hunter threw the birds down one by one.

The birds pretended to be dead.

The birds did not see the net and got caught in it.
