Q4. Read the story below and answer the following questions.

Once, there was a poor boy who made a living by selling various objects from door to door. This was the way he earned money to pay for his school. One day, as he was walking from house to house as usual, he felt very hungry and weak. He felt that he couldn't walk even a few steps. He decided to ask for food at a house. He knocked on the door and was stunned to see young girl open the door. With much hesitation, he asked the girl for a glass of water. The young girl understood his condition and offered him a huge glass of milk. The boy drank the milk very slowly. "How much do I pay you for this milk?" he asked her. The girl replied, "I do not want any money for this." The boy became very happy.
