

M I C R O S O F T E X C E L

Selecciona el nombre correcto de cada celda. Observa el ejemplo.

Ejemplo

The example shows an Excel spreadsheet with columns A through E and rows 1 through 14. The following cells are highlighted with different colors:

- Cell B5 is highlighted in red.
- Cell D4 is highlighted in green.
- Cell C9 is highlighted in blue.
- Cell B13 is highlighted in yellow.

Arrows point from these cells to labels in boxes:

- An arrow from B5 points to a box containing the text "B5".
- An arrow from D4 points to an empty box.
- An arrow from C9 points to an empty box.
- An arrow from B13 points to an empty box.

Observa las siguientes imágenes y **escribe** dentro del recuadro cuál pertenece a: **Celda**, **Columna**, **Fila**.

The three images show different selections in an Excel spreadsheet:

- The first image shows column E shaded in grey.
- The second image shows row 9 shaded in grey.
- The third image shows cell B8 outlined in black.

Below each image is a colored box for labeling:

- Under the first image is an orange box.
- Under the second image is a blue box.
- Under the third image is a green box.

Selecciona la fórmula correcta para resolver la suma y la resta de las siguientes imágenes.

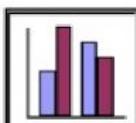

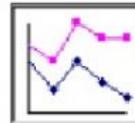

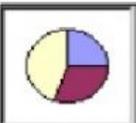

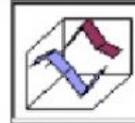

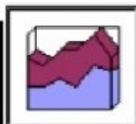

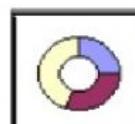

RESTA

	A	B	C	D
