

*A. Test the new words*

Guess who I am

1. I have 09 brothers and sisters. We are not the same.
2. My colour is red and I flow everywhere inside the body
3. I am inside the body. When people want to talk about love, they draw my shape
4. I help people to see the world.
5. I am very hard, but without me people can not stand.
6. I was born with 02 parts inside the body. However, people are still alive if one of my parts is taken out of the body.
7. If people drink too much alcohol, they will spoil me.
8. I am so small that people can only see me by using microscope.
9. I have so many relatives and they are all black. Noone knows how many we are.
10. If you add the letter "r", I am not the word "live" but I am a part of your body.
