

# future predictions

## WILL + Comparative degree

114

Complete the table with the comparative form of the adjectives

fast	faster <b>than</b>
slow	
expensive	
cheap	

healthy	
delicious	
dangerous	
comfortable	

Now, read the prompts and build sentences comparing the two options

flying cars (++fast) normal cars

In the future, flying cars **will be** faster **than** normal cars.

intelligent clothes (++expensive) regular clothes

underground houses (++comfortable) underwater houses

flying skateboards (++dangerous) heli-taxis

tinned food (++delicious) food pills
