Modern exploration of	of the South Pole began in	n 1902 when Captain Scott led 1	British National
		Shackleton and Dr Edward Wilso	
		first people to reach the Po	
and lack of supplies	meant they failed. 4	few years later, Shackle	ton led his own expedition
and although he got	a second fee secolises F		he hed to turn head, 07 miles
and, although he set	a record for reaching 5 _	farthest point south,	ne had to turn back 97 miles
