Hi!

I took your advice, Mum, and talked to the doctor here at the university about my earache today. He asked if I have headaches, too, but that isn't the problem. Anyway, I've got some medicine so that's good. He said I shouldn't go swimming at the moment. I'm not feeling happy about that but I went for a long ride on my bike yesterday instead.

And something funny happened yesterday. Some friends and I were studying in the library when someone started shouting outside the window. A woman saw a snake! Anyway, they came and took it to the zoo. We heard later it wasn't a dangerous one!

Everything else is fine. I have to stop now because I haven't got much time. I've got to find out about Eric Shipton, you know the famous explorer, before tomorrow morning.

See you at the weekend. My friend Jamie wants to come, too. Is that OK? We shouldn't study ALL the time!
