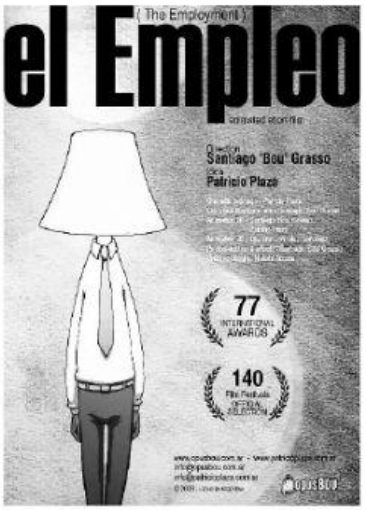
The Job Song – Jonathan Taylor

I _____ up this morning with tired _____.
And checked the _____ in the classifieds.

There's a job for a _____, must be good at _____.
And a job for a _____, must grill great steaks.

They're looking for _____ who _____ memorize lines.
And looking for _____ with no fear of the mines.

There's a job for a _____, must be good with your _____.
And a job for a sales clerk, must _____ all the brands.



They're hiring a _____, must have your own _____.
And hiring _____, requires dental _____.

They need a _____, must have fashion sense.
A _____ who knows romance and _____.

They need a _____, must know side _____.
An online _____ who is good with tech.

What the heck?
I _____ to panic,
Could I be a _____?

So I folded up my _____, nice 'n' neat.
And _____ back to sleep...
