

## Module 2.1

Watch the video below:

As you've watched: Moss was able to understand a telephone number. And now, it's your turn! Type the numbers you hear.

First, here is some important information:

1 - The number ZERO is said as OH;

2 - When the same number appears TWICE, it is said: **DOUBLE** (number).

Now, listen to the audio and type the numbers:

Number 1		Number 5	
Number 2		Number 6	
Number 3		Number 7	
Number 4		Number 8
