**Test III.** Read the short story. Place the events in the correct sequence by numbering them 1 through 8, with 1 being the first event and 8 being the last event.

Laurel was training for the soccer team for her high school. She knew she needed to be in really good shape. She practiced every day. Before she ran five laps around the soccer field, she stretched her muscles to make sure she didn't get hurt while practicing. She stretched for fifteen minutes. After her warm up, Laurel would do fifty sit-ups and three different exercises with the soccer ball. Finally, she would run two more laps around the soccer field, walk home, shower, and eat a large dinner. Place the events in the correct sequence by

numbering them 1 through 8, with 1 being the first event and 8 being the last event.

- 1. She ran around the soccer field five times.
- 2.. She walked home.
- 3. . She walked to the soccer field.
- 4. She stretched for fifteen minutes.
- 5. She showered.
- 6. She ate dinner.
- 7. She did fifty sit-ups and three different ball exercises.
- 8. She ran two laps around the soccer field.
