

there is / there are

Are there animals in these photos? Yes, there are! Can you see them?

Animals use colour to hide.
Colour makes them safe!

There are two bears. They are polar bears. Polar bears live in cold places. There aren't green plants and trees. There is snow, it is white. The bears are white.

There is a green lizard on the tree. There are green leaves.

The green lizard is safe in the green leaves. Animals can't see it.

Look at the pink flowers. Is there an animal? Yes, there is!

There isn't a lizard. There is a bird. The bird is yellow and pink. Yellow and pink are bright colours. But the bird is safe in the house.

Now choose the form.

There _____ green leaves. There _____ a green lizard.

There _____ pink flowers. There _____ a pink and yellow bird.

There _____ snow. There _____ two white polar bears.
