Activity: *Was* or *Were*?

<u>Good Luck: When you were mine</u>

When you _____ mine
I gave you all of my money
Time after time
You did me wrong
And just like a train
You let all my friends come over and eat
And you _____ so strange
You didn't have the decency to change the sheets

I know, that you're going with another guy
 I don't care, cause I love you baby that's no lie
I love you more than I did when you _____mine
When you _____ mine
You _____ kinda sorta my best friend
So I _____ blind
I let you fool around
I never cared

I never _____ the kind to make a fuss
When he _____there
Sleeping in between the two of us
I know, that you're going with another guy
 I don't care, cause I love you baby that's no lie
I love you more than I did when you _____mine

When you _____mine
You _____ all I ever wanted to do
Now I spend my time
Following him whenever he's with you
I know that you're going with another guy
I don't care, 'cause I love you baby that's no lie

I love you more than I did when you _____mine
