

D. Read the text carefully!

A Lazy Student

This is Ferdi. He is 12 years old. Last night, Ferdi did not study. He played games on the computer. He played car racing. The game was very interesting. It's his favourite game. He played the game until forty past ten p.m. so he went to bed late.

In the morning, Ferdi gets up late. He is still sleepy. Then he takes a bath. After getting uniform, he goes to school without breakfast. When he studies at school, he feels hungry, sleepy, and lazy. He has a headache, too. He cannot study well.
