

## THINK AND RESPOND #3

### MELT THE SNOW

1: Think of the beginning of the play. Describe the actions of Hormiguita and Mami

**HORMIGUITA** [*pointing*]:

¡Mami, **mira!** Look, the sun is shining. It's **melting** the snow. It's been such a long winter, and I'm tired of staying indoors. May I go out and play?

**MAMI** [*sighing*]: **Muy bien, m'ija.** But don't go far, and be very careful. If snow falls, you may get **trapped**. Then what would you do?

**HORMIGUITA** [*shaking with fear*]: How scary! But don't worry, Mami. I'll be very careful.

#### 4: Test-Taking Strategies: Reread

##### 1. Who is stronger than the Snow?

- a) cloud
- b) sun
- c) wind
- d) Hormiguita

**SNOW:** *Lo siento.* I cannot. But there is someone stronger than me.

**HORMIGUITA** [*tugging at leg again*]: Who is stronger than you, heavy Snow?

**SNOW:** The sun is stronger. It melts me into water.

**HORMIGUITA** [*reaching toward SUN*]: Sun, melt the snow, *por favor!*

**CHORUS:** Sun, please melt Snow.  
Snow holds Hormiguita's leg,  
And she wants to go home!
