Music and dance

1

Tango is originally from Argentina but it's becoming popular in other countries too. Men and women dance the tango in pairs. An orchestra usually plays the music. The music is dramatic.

2

Hip-hop is originally from the USA. Men and women dance to hip-hop music, but they don't usually dance in pairs. Men sometimes dance on their heads!

3

Morris dancing is from England. Only men do it. The dancers wear white clothes and the musicians play the accordion.

4

Belly-dancing is originally from India, but it's now very popular in Egypt, Turkey and other countries. Only women do belly-dancing. The music is very fast.

5

Calypso is originally from Trinidad in the West Indies. At carnivals, lots of people dance to calypso music. Bands with metal drums play the music.
