Part 1 – Are the words in bold correct (C) or incorrect (I)? Mark the box next to each line. Correct the wrong ones. Follow the example:

I have always been **here** | *I, around* |
But you never really noticed
'Cause I don't **pay** a lot attention

I'm a stranger in the **clouds**
Blame it on the evolution
I try to find a way to **tell** this

Part 2 – Complete with the present perfect continuous *[has/have + been + verb(-ing)]*

I   in a hurricane
I   in a stormy rain
I   on the **razor** blades
All I wanted was to kill the pain
I   all my life for you
'Cause I laugh and I cry for you
Anything to be close to you

[CHORUS] Part 3 – Listen and complete the gap with one word:

All by myself, all by myself
All by my _____ solitary self
I still believe, we live for the _____
And someday the stranger in the _____ wins the game
And gets the _____, gets the girl
The **Holy Grail**

Part 4 – Match the halves:

Days go on with no remorse   A. It's something that they can't imagine
They say it's gonna be amazing   B. I heard you're gonna throw a party
Who are they to say I'm crazy   C. **Surrounded** by these silent walls

Part 5 – Listen and choose the correct word (in bold):
'Cause I'm living in a **paradise / sacrifice / paradigm**
Every time **where / when / that** I close my eyes
Now it's never **wanna / gotta / gonna** be the same
All I wanted was to **free / kill / thrill** the pain
I've been givin' all my **time / life / love** for you
'Cause I live and I **die / lie / cry** for you
Still I'm nothing but a ghost to you

[REPEAT CHORUS]

Oh, someday...
The stranger in the corner gets the girl
Somehow...
I stand against the laws of universe
I have always been around
But you never really noticed
