

## I've just seen a face

Beatles

### 1. Drag the words to complete the blanks.

I've just \_\_\_\_ a face  
I can't forget the \_\_\_\_ or place  
Where we \_\_\_\_ met  
She's just the \_\_\_\_ for me  
And I want all the world to \_\_\_\_  
we've met, mm-mm-mm-mm-mm

### 2. Put the phrases in order.

- \_\_\_ But as it is I'll dream of her
- \_\_\_ Had it been another day
- \_\_\_ And I'd have never been aware
- \_\_\_ Tonight, di-di-di-di'n'di
- \_\_\_ I might have looked the other way

### Chorus

Fallin', yes, I am fallin'  
And she keeps callin'  
Me back again

### 3. Match the halves

I have never known  
And I have missed things  
But other girls were never quite

And kept out of sight  
Like this, di-di-di-di'n'di  
The like of this, I've been alone

### Chorus

Fallin', yes, I am fallin'  
And she keeps callin'  
Me back again

Fallin', yes, I am fallin'  
And she keeps callin'  
Me back again

*Repeat stanza 1 and chorus*
