

## 部首边旁练习 Radical Practice

Write a character for each radical.

- |     |     |     |     |      |
|-----|-----|-----|-----|------|
| 1 立 | 2 女 | 3 亻 | 4 父 | 5 讠  |
| 6 尸 | 7 宀 | 8 辶 | 9 人 | 10 足 |

Write the radicals.

- |                                                                                               |                                                                                            |                                                                                                 |
|-----------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|
| 1.  cave     | 2.  arrow | 3.  page     |
| 4.  hand     | 5.  grass | 6.  walk     |
| 7.  writing | 8.  owe  | 9.  scholar |

Write the meaning of each radical and simple character.

- |                                          |                    |                    |
|------------------------------------------|--------------------|--------------------|
| 1. 伯 → 白 white<br>↓<br>亻 standing person | 2. 亲 → 木<br>↓<br>立 | 3. 美 → 大<br>↓<br>羊 |
| 4. 独 → 虫<br>↓<br>豸                       | 5. 圣 → 土<br>↓<br>又 | 6. 起 → 己<br>↓<br>走 |
