

# LION: A LONG WAY HOME

A) Watch and listen to the film trailer and put the following statements in the correct order.

- He survived for weeks on the streets of Kolkata and then he was taken to an orphanage.
- He used satellite images on Google Earth looking for familiar places.
- One day he decided he had to find his way back home.
- One night, his older brother asked him to wait for him at the train station.
- 1 Saroo Brierley was adopted by a family in Australia.
- He fell asleep on a train in India and he spent two days travelling.
- He was very happy in his new home but he always had memory flashes about his original family.
- Then Saroo set off on a journey back to India to see if he could find his mother.
