

QUIZ N° 2 Corte 1 Lengua Extranjera V

NAME: _____

Date: _____

THE OLD COLONEL

"I think I have had a very interesting life. I'm 73 now and I don't work anymore. I was in the army for 51 years. I retired when I was 69. I have been to so many countries that I can't remember all of them. I've been to Australia six or seven times and to South Africa three times. I have also been once to Russia but I didn't like it at all: too much cold for me! They say that love is the greatest thing and I agree. I've been married four times but never for more than five years. I don't think women really understand me!

I've never been on television, but I've been on the radio once. It was a programme about life in the military about twenty years ago. I met the Prime Minister on the same day. Actually, I've met a lot of famous people: members of the royal family, famous politicians and also famous cinema and television personalities. I've never met the American President, though, which is a pity.

Because I've travelled a lot, I've seen a lot of wonderful things and have also eaten and drunk some strange foods and drinks. I ate cat and rat in India and drank something called Mirto on a little island in Italy many years ago."
