

# Shipyards - The Lake Poets

Listen to the lyrics and...

1. Drag the correct word to its place in the sentence

**HARD - LOVED - RIVER - ALONE - YEARS - BONE**

On the \_\_\_\_\_ where they used to build the boats

By the harbour wall, the place you \_\_\_\_\_ the most

I can see you there \_\_\_\_\_ but oh, you know

I'll be there soon

All your life you worked your fingers to the \_\_\_\_\_

You worked \_\_\_\_\_ for every little thing you owned

That you gave away for \_\_\_\_\_ if you'd known

They'd be calling out

Calling out, Calling out

If you could see me now

I hope that I'm making you proud

2. Choose the correct option

Like a ship you built, you're long **gone / off** from the coast

Where you are and **where / were** we go, we'll never know

On a ship you built that's where I **see / need** you most

With your **shining / smiling** eyes
