

Cause and Effect Paragraph

The dog was hungry, so it went looking for a bone. The dog knew there were none in the yard, so it began walking up the Street. Soon it was far away from home, and it was not sure where it was! The dog had been sniffing the ground, so it did not watch where it was going. It decided to use its nose to find its way back home again. When the dog got there, the boy was so happy to see it that he gave the dog a big bone!

What caused the dog to go looking for a bone?
