

Song activity: "There's nothing holding me back" – Shawn Mendes

Listen to the song and number (1-6) the parts of its lyrics in the correct order.

	Number (1-6)
<p>Oh, I've been shaking I love it when you go crazy You take all my inhibitions Baby, there's nothing holding me back You take me places that tear up my reputation Manipulate my decisions Baby, there's nothing holding me back There's nothing holding me back</p>	
<p>Oh, I've been shaking I love it when you go crazy You take all my inhibitions Baby, there's nothing holding me back You take me places that tear up my reputation Manipulate my decisions Baby, there's nothing holding me back There's nothing holding me back I feel so free when you're with me, baby Baby, there's nothing holding me back</p>	
<p>I wanna follow where she goes I think about her and she knows it I wanna let her take control 'Cause every time that she gets close, yeah</p> <p>She pulls me in enough to keep me guessing And maybe I should stop and start confessing Confessing, yeah</p>	
<p>She says that she's never afraid Just picture everybody naked She really doesn't like to wait Not really into hesitation</p> <p>Pulls me in enough to keep me guessing And maybe I should stop and start confessing Confessing, yeah</p>	
<p>Oh, I've been shaking I love it when you go crazy You take all my inhibitions Baby, there's nothing holding me back You take me places that tear up my reputation Manipulate my decisions Baby, there's nothing holding me back There's nothing holding me back</p>	

There's nothing holding me back	
<p>'Cause if we lost our minds and we took it way too far I know we'd be alright, I know we would be alright If you were by my side and we stumbled in the dark I know we'd be alright, I know we would be alright 'Cause if we lost our minds and we took it way too far But I know we'd be alright, I know we would be alright If you were by my side and we stumbled in the dark I know we'd be alright, I know we would be alright</p>
