

Distance.

(Christina Perri- Jason Mraz)

The sun is filling up the room
And I can hear you
Do you feel the way I do, right now?

I wish we would just give up
'Cause the best part is
Calling anything but love

And I will make sure to keep my distance
Say I love you when you're not
How long, can we keep this up, up, up?

Please don't stand so close to me
I'm having trouble
I'm afraid of what you'll see, right now.

I'll give you everything I am,
All my broken heartbeats.
Until I know you'll

And I will make sure to keep my distance
Say I love you when you're not listening
How long, can we keep this up, up, up

And I keep
For you to take me
And you keep waiting
To what we had

So I'll make sure to keep my distance
Say I love you when you're not listening
How long, can we keep this up, up, up?

Make sure to keep my distance
Say I love you when you're not listening
How long, 'til we this love, love, love?
