

THE NERA FAMILY

This is my Family. We are very happy. I am Brandon. I am 13 years old and I am from Argentina. They are my grandparents: María and Luis. They live with me and my parents but they are in Uruguay at the moment.

My dad is Angelo. He is 36 years old, and he is a mechanic. My mum is Tamara. She is 36 years old, and she is a doctor. The little girl in the picture is my sister. She is Analyn. The dog's name is Bruno. In the photo, we are at home. It is my favourite family photo!
