

NATURE IS SPEAKING - OCEANS

Please, listening to the advice and warnings, the ocean is giving us.

1. Where does the Ocean say about itself?
2. What does come back to the Ocean?
3. What it has to say about Humans?
4. What does Humans do to Oceans?
5. What is the warning Oceans give to Humans?
6. At the end of the video Oceans say one final thing?
