

YET / ALREADY

Have you had dinner ?

Have you decided where you are going to on your next vacation?

Have you felt that your English has gotten better?

Have you spoken to a native speaker ?

Have you missed any classes this year?

People have many goals in life. What are some goals you have accomplished?

What are some goals you want to accomplish, but haven't accomplished ?

What are some nice places you have been to?

Where are some places you haven't been to that you plan to go to some day?

Is there something you are working on now, but haven't finished ?

What is an goal your country is working towards? What have they done to reach that goal? What haven't they done ?
