

**look up to***definition***To admire or view one as a role model.****To view someone with respect and admiration.**

He's very bright and intelligent and he's, honestly, probably the most wonderful person to look up to.

He is someone we can respect and look up to, but he's not so high above us that we feel low and downtrodden.

1. **Think of a person you admire most. Tell us about him.**

2. **Work in pairs. Ask and answer questions, use the idiom.**
3. **Have you noticed any other idioms in the episode?**
