

There was a time
When I was so _____ hearted
Love wasn't much of a friend of mine
The tables have turned
'Cause me and them ways have parted
That kind of _____ was the killing kind
Listen
Now all I want is someone I can't resist
I know all I need to know by the way that I got kissed

[CHORUS]

**I _____ when I met you
Now I _____ to forget you
Your love is sweet misery
I _____ just to get you
Now I'm dying cause I let you
Do what you do, down on me**

Now there's not even breathing room
Between pleasure and pain
Yeah you cry when we're making love
Must be one and the same

It's down on me
Yeah I got to _____ you one thing
It's been on my mind
Girl I got to say
We're partners in crime
You got that certain _____
What you give to me
Takes my breath away
Now the word out on the street
Is the devil's in your kiss
If our love _____ in flames
It's a fire I can't resist

[CHORUS]

'Cause what you got inside
Ain't _____ your love should stay
Yeah, our love, sweet love, ain't love
If you give your heart away

[CHORUS] X2
